

Capability Statement

DYNOTEK-KZF MENTOR PROTÉGÉ JOINT VENTURE

Sutha Vallipuram, Manager
suthav@dynotecinc.com

The Dynotec-KZF Joint Venture represents the collaboration of two strong, well-established Ohio-based A/E firms with a long history of working together on major projects in the state and beyond.

Dynotec – a certified Small Disadvantaged Business – is an architectural and engineering company founded in 1990. Core services include architecture, structural, transportation/roadway design, site/civil design, water/wastewater engineering, construction management/inspection, and surveying.

KZF is a well-established, award-winning A/E firm, celebrating over 60 years of providing multidisciplinary design services to public and private clients. For over five decades, KZF has been serving agencies of the United States government, across the nation and around the world.

541330

CORE COMPETENCIES

- Architecture
- Civil and Structural Engineering
- Mechanical, Electrical and Plumbing Engineering
- Interior Design
- Area Development Planning
- Transportation and Traffic Planning
- LEED®/Sustainable Design
- Workplace Design
- Feasibility Studies
- Facility Assessments
- Construction Administration/ Inspection/ Title II/Type C Services
- DD1391 Preparation
- Code 0/Code 3/Code 9 Planning
- Project Requirement Documents/ Programming
- RFP Development
- Design/Build and Design/Bid/Build
- Technical Review (A-E 3) Services
- Building Information Modeling

CLIENTS

- US Army Corps of Engineers
- US Air Force
- US Navy
- Department of Homeland Security
- Department of Defense Education Activity
- Federal Bureau of Prisons
- National Park Service
- Department of Energy
- Ohio National Guard
- NASA

FEDERAL CONTRACT VEHICLES

W912DY24D0051

USACE Huntsville Architect-Engineering Support Indefinite Delivery Contract (HAESI)

W9133L25DA019

National Guard Bureau, Architect Engineer IDIQ in support of Air and Army National Guard Vertical Construction Programs, Regions 2-9

80AFRC25D0001

NASA, Western Regional Architect-Engineering Services (WRAES)

68HERF26D0004

EPA, Architect-Engineer IDIQ for Regions 5 through 10

FA665620D0001

USAF-Air Force Reserve Command, AE Services IDIQ for Youngstown Air Reserve Station

FA8903-21-D-0026

AFCEC AE Next Pool 1, 2021-2031

15B10021D00000002

Federal Bureau of Prisons Mid-Atlantic Region A-E IDIQ

70Z05018DKZFNPL08

Department of Homeland Security, Nationwide A/E MATOC

W912HV-19-D-0003

USACE Japan, IDC for AE Services to Support Military Engineering Design and Planning Services

W9123624D6001

USACE Norfolk, Architect-Engineer IDCs for DoDEA Design Center

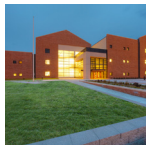

BUILDING TYPES

Administration Facilities
Facility 30219,
Wright-Patterson AFB, OH

Headquarters Facilities
ARSOAC Headquarters,
Ft. Bragg, NC

Communications & Command
TRNSCOM Permanent
Facility, Scott AFB, IL

Laboratories & Research
ElectroChemistry
Engineering Facility, NSA
Crane, IN

Correctional Facilities
Big Sandy United States
Penitentiary and
Prison Camp, Inez, KY

Entry Control Points
Access Control Points
(ACP) Planning Level
Layouts, Adelphi
Laboratory, MD

Civil/Infrastructure
Great Lakes Naval Station
Sanitary Sewers and
Manholes

Recreation & Physical Training Facilities
5th BCT Physical Fitness
Facility, Ft. Stewart, GA

Hangars and Flightline Facilities
AFSOC Campus,
Yokota Air Base, Japan

Vehicle Maintenance Facilities
Tactical Equipment
Maintenance Facility,
Ft. Benning, GA

Child Development Centers
Replica CDC,
Ft. Bliss, TX

K-12 Educational Facilities
Stearley Heights
Elementary School,
Kadena AB, Okinawa, Japan

Firing Ranges
US Customs Advanced
Training Center and Firing
Range, Harper's Ferry, WV

Medical Facilities
Hill Air Force Base Medical
Clinic, Hill AFB, UT

Barracks and Housing
Starship Barracks
Renovation and Dining
Facilities, Ft. Jackson, SC

Reserve Centers
Cleveland Army Reserve
Center, Twinsburg, OH

Dining Facilities
IBCT Dining Facilities,
Ft. Bliss, TX

Training Facilities
2nd Brigade Combat
Team Complex,
Ft. Stewart, GA

Munitions Facilities
